## GENERATION MINING APPOINTS DIRECTOR

**Toronto, Ontario – May 16, 2018** – Generation Mining Limited (CSE: GENM) (the “**Company**”) is pleased to announce the Company has appointed Brian Jennings to the board of directors as an independent director.

*Brian Jennings, CPA, CA, BSc*

Mr. Jennings is a Chartered Accountant and geologist with 30 years of experience working as a senior financial executive and corporate restructuring professional for both public and private companies in a wide range of industries. He is currently the Chief Executive Officer of Veta Resources Inc. which is focused on gold exploration in Southern Chile and the Chief Financial Officer of Palamina Corp. focused on gold exploration in Peru. Most recently he was a director of Pine Point Mining Limited acquired by Osisko Metals Incorporated and Chief Financial Officer of Soltoro Ltd. acquired by Agnico Eagle Mines in 2015. Mr. Jennings also spent nine years with Ernst & Young, where he was Vice-President Corporate Restructuring, and where he was involved in several high profile assignments including Hollinger, Philip Services, and Sydney Steel.

### **About Generation Mining Limited**

Generation Mining Limited is a base and precious metals exploration and development company with various property interests throughout Canada. Its primary business objective is to explore and further develop the Davidson Molybdenum project in British Columbia and its other mineral properties, and to continue to increase its portfolio of base and precious metal property assets through acquisitions.

### **Forward-Looking Information**

*This release includes certain statements that may be deemed “forward-looking statements”. All statements in this release, other than statements of historical facts, that address future production, reserve potential, exploration drilling, exploitation activities and events or developments that the Company expects are forward-looking statements. Although the Company believes the expectations expressed in such statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results or developments may differ materially from those in the statements. There are certain factors that could cause actual results to differ materially from those in forward-looking statements. These include market prices, exploitation and exploration successes, continued availability of capital and financing, and general economic, market or business conditions.*
